

**Third B.H.M.S. (2015) Examination, Summer - 2021  
GENERAL SURGERY AND HOMOEOPATHIC THERAPEUTICS - I**

Duration : 3 Hours

Total Marks : 100

- Instructions :**
- 1) Use **blue/black** ball point pen only.
  - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
  - 3) **All questions are compulsory.**
  - 4) The number to the **right** indicates **full marks**.
  - 5) Draw diagrams **wherever** necessary.
  - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
  - 7) Use a common answerbook for **all** sections.

Write short answer (**any ten** out of fifteen) :**[10 × 2 = 20]**

- a) Define repair.
- b) Write down 4 Causes for hyponatraemia.
- c) Define ophisthotonus position.
- d) Define Curling's Ulcer.
- e) Define Haematuria and give 2 renal causes for haematuria.
- f) Define Varicocele.
- g) Define Phimosis.
- h) Explain Murphy's Sign.
- i) Explain calendula in wounds.
- j) Explain Bryonia in Tumors.
- k) Explain Apis in Burns.
- l) Explain Nitric Acid in Fissure in ano.
- m) Explain Carbo Vegetabilis in Dyspepsia.
- n) Name 2 homoeopathic remedies for Acute Pancreatitis.
- o) Explain pulsatilla in Orchitis.

2. Write short answer (**any four** out of six) : [4 × 5 = 20]
- ✓ a) Explain factors affecting wound healing.
  - ✓ b) Write down indications of blood transfusion.
  - ✓ c) Explain haemorrhage.
  - d) Explain Femoral hernia.
  - ✓ e) Explain Hydrocoele.
  - f) Explain Achalasia Cardia.
3. Write short answer (**any four** out of six) : [4 × 5 = 20]
- ✓ a) Explain Hepar Sulph in Abscess.
  - b) Explain Conium in CA-Breast.
  - ✓ c) Explain Causticum in Burns.
  - ✓ d) Explain Chelidonium in Cholelithiasis.
  - e) Explain Thuja in Benign enlargement of prostate.
  - ✓ f) Lycopodium in Renal stone.
4. Long answer question (**any two** out of four) : [2 × 10 = 20]
- a) Classify Breast Tumours and give 6 indications each of Iodum, Bryonia Alba, in Breast Affections.
  - b) Describe "Tubercular Lymphadenitis" and describe the indications of Phosphorus in TB-Lymphadenitis.
  - ✓ c) Difference between Gastric and Duodenal ulcer and give indications of Kali-Bich in Peptic Ulcer.
  - ✓ d) Describe in short about "Ureteric Calculi" and give indications of Sarsparilla in Ureteric calculi.

**Long answer question (any one from Q.No. 5, 6 and 7) :**

5. Define Goitre. Classify Goitre and describe in detail Simple toxic goitre. Give indications of Thyroidinum, Nat-Mur in Goitre. [1 × 20 = 20]
6. ✓ Describe Clinical features of Appendicitis. Give its classification as per hahnemanian classification of disease and describe the auxiliary mode of treatment in appendicitis.  
Give indication of Diascorea and Mag-Phos for appendicitis. [1 × 20 = 20]
7. Classify Hernia. Give difference between Direct/Indirect Hernia. Give indication of Alumina and Calc.carb in Hernia. [1 × 20 = 20]

**Third BHMS (2015) Examination, Summer - 2021  
SURGERY - II (ENT OPHTHALMOLOGY, ORTHOPAEDICS,  
DENTISTRY & HOMOEOPATHIC THERAPEUTICS)**

Total Duration : 3 Hours

Total Marks : 100

- Instructions :**
- 1) Use **blue/black** ball point pen only.
  - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
  - 3) **All questions are compulsory.**
  - 4) The number to the **right** indicates **full** marks.
  - 5) Draw diagrams **wherever** necessary.
  - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
  - 7) Use a common answer book for all sections.

Write short answer (any ten out of fifteen) :

[10 × 2 = 20]

- a) Explain Epistaxis.
- b) Write down causes of Wax in ear.
- c) Define Colles fracture.
- d) Define Scoliosis.
- e) Define Chalazion.
- f) Define Hypermetropia.
- g) Define Dental cyst.
- h) Explain Alveolar abscess.
- i) Name 4 remedies for acute pharyngitis.
- j) Name 4 remedies for Meiner's disease.
- k) Name 4 remedies for arthritis.
- l) Name 4 remedies for Cervical spondylosis.
- m) Name 4 remedies for Glaucoma.
- n) write 2 indications argentum nitricum in conjunctivitis.
- o) write 2 indications of Coffea cruda for toothache.

2. Write short answer (any four out of six):

[4 × 5 = 20]

- a) Explain Nasal polyps. 2 ✓
- b) Explain Quinsy. 2 ✓
- c) Explain Acute osteomyelitis.
- d) Explain Tennis elbow. 2 ✓
- e) Explain stye.
- f) Explain Myopia. 3 ✓

3. Write short answer (any four out of six) :

[4 × 5 = 20]

- a) Explain Sabadilla in sinusitis.
- b) Belladonna in acute otitis media.
- e) Symphytum in fracture.
- d) Rhus tox in joint pains.
- e) Phosphorus in eye complaints.
- f) Kreosote in dental caries.

4. Long answer question (any two out of four)

[2 × 10 = 20]

- a) Explain Tonsillitis in short and indication any one homoeopathic drug.
- b) Explain Atrophic Rhinitis in short and indication any one homoeopathic drug.
- c) Explain Osteoarthritis in short and indication any one homoeopathic drug.
- d) Explain corneal ulcer in short and indication any one homoeopathic drug.

Long answer question (any one from Q. No. 5, 6 and 7)

5. Define Chronic suppurative otitis media, clinical features, stages; complication and management with 2 homeopathic drugs. [1 × 20 = 20]

6. Define Fracture, types, clinical features, conservative management and management with 2 homeopathic drugs. [1 × 20 = 20]

7. Explain Blepharitis in detail with indication of 4 homeopathic drugs.

[1 × 20 = 20]

**Third B.H.M.S. (Old) Examination, Summer - 2021  
SURGERY AND HOMOEOPATHIC THERAPEUTICS - I**

Total Duration : 3 Hours

Total Marks : 100

- Instructions :**
- 1) Use **blue/black** ball point pen only.
  - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
  - 3) **All questions are compulsory.**
  - 4) The number to the **right** indicates **full** marks.
  - 5) Draw diagrams **wherever** necessary.
  - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
  - 7) Use a common answer book for all Sections.

**SAQ (60 Marks)**

1. Write appropriate answer (**any ten** out of fifteen) : **[10 × 2 = 20]**
- a) Define Surgery
  - b) What is C.L.W.?
  - c) Write Indication of 2 Homo. Remedies in Celluitis
  - d) Raynaud's Phenomenon
  - e) Define Erysipelas
  - f) Define Septic Shock
  - g) Risus Sardonius
  - h) Rule of Nine
  - i) Indication of 2 Homo. Remedies for Gangrene
  - j) What is Intermittent Claudication
  - k) Define Myopia. Write Name of 2 Homo. Remedies
  - l) Define Strabismus
  - m) Vitamin A Deficiency
  - n) Define Aphakia
  - o) Define Senile Cataract

**04301A**

**[4 × 5 = 20]**

2. Write short answer (**any four** out of six) :

- a) Burger's Disease.
- b) Calendula in Wound Healing.
- c) Difference Between Bening Tumour and Malignant Tumour.
- d) Ulcer.
- e) Pulsatilla in Stye.
- f) Colour Blindness.

3. Write short answer (**any four** out of six) :

**[4 × 5 = 20]**

- a) Venous Ulcer
- b) Sinus & Fistula
- c) Carbuncle
- d) Indication of 2 Homo. Remedies Shock
- e) Viral Conjunctivitis
- f) Iridocyclitis

**LAQ (40 Marks)**

4. Long answer questions (**any two** out of four) :

**[2 × 10 = 20]**

- a) Define Cyst. Write it's Classification & C/f.
- b) Write Details about Abscess with Homeopathic Management.
- c) Write in Brief about Blood Transfusion.
- d) Write in brief about Trachoma.

**04301A**

**Long answer questions (any one from Q. No. 5, 6 and 7)**

**[1 × 20 = 20]**

**5. Tetanus**

- a) Definition & Aetiology [5]
- b) Pathalogy [5]
- c) Clinical Features [5]
- d) Homoeopathic Management [5]

**6. Gas Gangrene**

- a) Defination & Aetiology [5]
- b) Pathalogy [5]
- c) Clinical Features [5]
- d) Management [5]

**7. Glaucoma**

- a) Definition & Aetiology [5]
- b) Pathalogy of Primary Angle-Closure Glaucoma [5]
- c) Clinical Features of Primary Angle-Closure Glaucoma [5]
- d) Management [5]

**Third B.H.M.S. (Old) Examination, Summer - 2021  
SURGERY AND HOMOEOPATHIC THERAPEUTICS - II**

Total Duration : Section A/B = 3 Hours

Total Marks : 100

**SECTION - A/B**

- Instructions :**
- 1) Use **blue/black** ball point pen only.
  - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
  - 3) **All** questions are **compulsory**.
  - 4) The number to the **right** indicates **full** marks.
  - 5) Draw diagrams **wherever** necessary.
  - 6) *Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.*
  - 7) Use a common answer book for all Sections.

**SAQ (60 Marks)**

1. Write appropriate answer (**any ten** out of fifteen) : **[10 × 2 = 20]**
- a) Write rule of nine.
  - b) Write Murphys Triad.
  - c) Write Types of Ureteric Calculas.
  - d) Indications of opium in Intestinal Obstruction.
  - e) Define Hydrothorax.
  - f) What is Vincent's Angina?
  - g) Define Wisdom Tooth.
  - h) Merc sol in dental carries.
  - i) Define Tennis Elbow.
  - j) Two indication of Symphytum in fracture.
  - k) Define Osteomyelites.
  - l) Four causes of Hoarseness of Voice.
  - m) Hepar Sulph in Quinsy - Two indications.
  - n) Phosphorus in nasal polyps.
  - o) Define Adenoids.

**04301B**

**[4 × 5 = 20]**

2. Write short answer (**any four** out of six) :

- a) Phimosiis
- b) Berb. vulg in renal stone
- c) Cystic hygroma
- d) Root canal therapy
- e) Calc carb in osteoarthritis
- f) Phytolaca in tonsilitis

3. Write short answer (**any four** out of six) :

**[4 × 5 = 20]**

- a) Fissure in ano.
- b) Pneumothorax.
- c) Gingivitis.
- d) Arsenic Alb in Gangrene.
- e) Allium cepa in allergic rhinitis
- f) Conium in vertigo.

**LAQ (40 Marks)**

4. Long answer question (**any two** out of four) :

**[2 × 10 = 20]**

- a) Describe aetiology, clinical features of acute Pancreatitis. Explain phosphorus for the same.
- b) Describe brachial cyst in detail & write two remedies for the same.
- c) Describe causes for low backache and explain two remedies for the same.
- d) Define tinnitus. Explain aetiology & Clinical Features with homoeopathic Management of the same.

**04301B**

**Long answer questions (any one from Q. No. 5, 6 and 7)**

**[1 × 20 = 20]**

**5. Discuss Indirect inguinal hernia as follows :**

- a) Aetiology [5]
- b) Clinical Features [5]
- c) Investigations [5]
- d) Indications of Two Homoeopathic Remedies [5]

**6. Explain Potts Fracture as follows :**

- a) Aetiology [5]
- b) Clinical Features [5]
- c) Investigations n complications [5]
- d) Homoeopathic Management [5]

**7. Discuss acute sinusitis as follows :**

- a) Aetiology [5]
- b) Clinical Features [5]
- c) Investigations [5]
- d) Homoeopathic Management [5]
